Summary

Specializing in front-end development, I build interfaces that are both beautiful and functional. With a focus on React and React Native, I craft seamless user experiences that blend cutting-edge design with robust functionality. Whether it's a responsive web application or a cross-platform mobile app, my goal is to deliver intuitive, engaging, and high-performing solutions.

Skill Highlights

- HTML/CSS
- JavaScript/Typescript
- React & React Native (Expo)
- Next JS
- Redux, Context Api and Zustand
- Git/Github
- Project management
- Tailwind CSS

Experience

Web & Mobile Developer   *July, 2024 – March, 2025*
